

QUALITY POLICY

We, at ACP Metal Finishing are committed to providing good quality and timely delivery to our customers.

We strive to satisfy our customers through the following:

- Ensure compliance to customers' requirements.
- Continual improvement of our processes and services.
- Effective and efficient management of resources.
- Continually improve our quality management system to meet the standards and requirements of SS ISO 9001:2015, AS9100D, SAR/FAR/EASA Part-145 and Nadcap (Chemical Processing and NDT).

All staff are committed to comply and strive to improve the Quality Standards stipulated in the Quality Management System.
